Allegra has been developing international mountain bike destinations for over 20 years. From design, to planning, to building infrastructure. During the summer months we are a team of up to 50 employees. Headquartered in Pontresina (Switzerland) and Innsbruck (Austria). Further info can be found under www.allegra-tourismus.com

Working period:

Depending on snow conditions from March/April to October/November

Working location:

Austria, nationwide (predominantly on the mountain, rarely in the valley)

Tasks:

- Construction/maintenance of flow-, single-, jump-, shore- & enduro trails.
- Construction of trail centers

Who are we looking for:

- Endurance: partly heavy manual labor in the outdoors
- Team spirit (you don't build a good trail on your own)
- Willingness to travel, varying work locations
- Passion for mountain biking, sports and the outdoors
- Lateral recruits: Openness to learn new things
- Basic knowledge of German or English
- Experience in civil engineering, gardening, landscaping or forestry is an advantage
- Driver's license class B compulsory, CDL not required.

What we offer:

- Salary above industry standards
- Motivated team with experience and passion
- Paid accommodation and daily allowance
- Outdoor industry discounts
- Regular team get-togethers
- Training as a trail builder
- Possibility of further training, internal development
- Possibility of working on international projects (e.g. Finland, Japan)
